Since several decks are used, a tie hand is possible. In the case of a tie hand, the two participants will be dealt a new hand by an independent third party. Additional rules required "On the Spot" will be determined by the officials on hand. All decisions by these officials will be final. If "5 of a kind" should occur it would be considered to be ranked between a Royal Flush and a straight.

### **SAFETY RULES**

In an effort of maintaining safety, and in the interest of keeping poker runs safe for everyone, the rules have been established by our safety committee. Failure to comply with our rules will result in disqualification from the poker run.
